

LIHIR INTERNATIONAL PRIMARY SCHOOL

FEES POLICY (Version August 11)

Rationale:

In developing a community, Lihir International Primary School works in partnership with parents/guardians on all levels.

Aims:

- That parents are fully aware of their school fee obligations.

Implementation

- NML will fund the school's operations and cover all school fees for NML Townsite Residents.
- In conjunction with the enrolment policy non NML Townsite resident families may be accepted for enrolment at LIPS. When these families choose to send their children to Lihir International they are required to pay all fees and levies charged by the school.
- As members of Lihir International Primary School community, parents/guardians are to meet their obligation in the payment of fees and levies.
- Those parents/guardians who experience difficulty in meeting their financial commitment to the school are to make special arrangements with the Principal, who will discuss these arrangements with the Manager HR.
- All families as part of the enrolment application will commit to a fee agreement. When they have been advised that their application has been successful parents/guardians will be then asked to sign a formal fee agreement confirming the agreed amount to be paid.
- Accounts are issued at the end of each term and are due for payment by the end of week 3 of each term. Families receive term accounts only. However, families can request a full year invoice.
- If a term account has not been paid in full by the end of week 3 of each term or no arrangements have been made with the school then the child will be removed from the school until all payments are finalized.
- School Council will recommend the level of school fees annually.
